----

- Make checks payable to BSSA (Bismarck Slowpitch Softball Association).

- Send checks to BSSA Tournaments, 4250 Calahan Place, Bismarck, ND 58504.

- Text with questions at 701-527-5538. Please do not call, if you can avoid it.

- Please do not worry that you need to call/text/email to "reserve" a spot. We are blessed with a large number of diamonds in Bismarck, so we have never "filled up" for an invitational tournament such as this. Just send your check in before the registration deadline, and we will make room.

- Entries must be received on or before the due date listed. Again, entry numbers are not limited for this tournament, but we do need time to create a schedule.

- Brackets will be posted online Wednesday night, the week of the tournament (at the latest). Please do not ask about brackets before that time. They will be posted the minute they're ready.

- Divisions may be combined as necessary, at the discretion of the tournament director.

- USA Softball rules and USA Softball bats only. All teams must be USA Softball sanctioned. Weekend-only rosters are perfectly fine. Game balls will be provided.

- Visit Facebook.com/Bismarcksoftball and Bismarcksoftball.com for brackets and other updates.
